

The Brighton

The Brighton

5 Bedroom, 2 Living, 2 Bathroom*

This traditional custom architecturally designed home with all the modern conveniences features five bedrooms plus study, two living areas and large deck areas.

This custom Classic home includes, as with all of Classic's homes, flexibility and design producing an outstanding result. The Brighton boasts extra-wide hallways that direct you towards a spacious open-plan kitchen/dining/living with Classic's signature high cathedral ceilings, and an additional private living area on the ground floor. The design also includes plenty of glazing to achieve a high level of natural light and warmth, five spacious bedrooms and a sizeable office/study area.

Classic Building has designed a home that is both functional & spacious with every space in the home having been utilized & carefully thought about. What has been created is a home that is relaxed, welcoming & yet striking in its details.
