

The Clontarf Modified 03

The Clontarf Modified 03

5 Bedroom, 4 Living, 3.5 Bath*

This grand design boasts high cathedral ceilings and large open living areas throughout.

The Clontarf is another signature design from Classic. The creation of this magnificent residence, as with all of Classic's homes, includes flexibility and design and has produced an outstanding result.

The Clontarf Modified 03 includes staple design inclusions like exceptionally large, open living areas with high, cathedral ceilings transition into a stunning outdoor entertaining area with room enough for optional dining and living areas. Some unique features include a playroom, spacious study area, and a large butler's pantry with access into the laundry.

Classic Building has designed a home that is both functional & spacious with every space in the home having been utilized & carefully thought about.

*The floorplans shown demonstrate some of the options available in terms of layout, possible size, possible number of rooms, decks and more. They are a guide, and are meant to provide you with ideas and show you possibilities. Any of the basic designs can be customised to suit any of your requirements.
